To Whom It May Concern:

It is with great pleasure I write this recommendation for Eric LeMarier. I have known Eric for the past three years. While he was working on his undergraduate teaching degree, he took the opportunity to come and assist me in the Band program at Tolman High School. Eric is a very professional individual with a positive outlook. He is a person of character and integrity.

Eric is a hard working, dedicated musician with the ability to teach and motivate students. He developed an excellent rapport with my band students. This past spring, he was invaluable to my school's production of "Grease". In the role of Assistant Music Director, he taught the instrumentalist the musical accompaniment and also worked with the singers. The students learned a great deal under his direction. In addition, he also arranged and mixed sound recordings.

I highly recommend Eric for the position to which he is applying. He will be a great asset to the school that is fortunate to have him. If I can be of further assistance, please don't hesitate to call me. My school office number is (401) 729-6429 or at home [REDACTED].

Sincerely,

Cheryl A. McWilliams
